

REMARKS/ARGUMENTS

These Remarks are responsive to the Office Action mailed November 23, 2005. The Office Action has been reviewed, and in view of the foregoing amendments and following remarks, reconsideration and allowance of all of the claims pending in the application are respectfully requested. Claims 1-10 and 17-20 have been canceled without prejudice or disclaimer. Claim 11 has been amended to add the allowable subject matter of claim 13. Claim 14 has been amended into independent form. No new matter has been added. Entry of the above amendments is respectfully requested.

Amendments to the Specification.

Paragraphs [0063] and [0064] have been amended as requested to correct typographical errors. Paragraph [0071] has not been amended, however, Applicants provide the following explanation. The quantity " rd_{in}^2 " is the square of the slant range for each sensor "*in*." This is stated in the text of paragraph [0070] and follows from the Lorentz inner product described in paragraphs [0068]-[0069]. Applicants respectfully request that the Examiner withdraw the objection to the specification in view of the above comments.

Allowable Subject Matter

The Examiner is thanked for his indication that claims 13-15 contain allowable subject matter. The claims have been amended as suggested and shown above. Applicants respectfully submit that, after entry of the amendments, only allowable claims remain. Applicants respectfully request notification that the pending claims are allowed.

Rejections under 35 U.S.C. 102

Applicants respectfully submit that the rejections of the claims based upon 35 U.S.C. § 102 are moot in view of the present amendments. Applicants reserve the right to pursue the canceled claims in separate applications.

CONCLUSION

It is respectfully submitted that this application is in condition for allowance and such disposition is earnestly solicited. Should any outstanding issues remain, the Examiner is invited to telephone the undersigned with any suggestions leading to the favorable disposition of the application.

It is believed that no additional fees are due for filing this Response. However, the Director is hereby authorized to treat any current or future reply, requiring a petition for an
